

VERIFIED SESSION ARCHIVE

AMA Archive

Every session announced on Telegram, 2021–2026

This document lists **713 AMA sessions** that Crypto Clash announced publicly on its Telegram channel between 2021-07-01 and 2026-07-24. Each row links to the original, timestamped announcement post — every claim in this document can be checked in under a minute.

A further **150+ sessions** delivered for BlockDAG Network were published directly to Binance Square rather than announced on Telegram, and so are not itemised here. Counting those, total sessions delivered exceed **863**.

How to read this document

- **Date** is the scheduled session date taken from the announcement body.
- **Reward** is the community reward pool stated in that announcement. 656 of 713 announcements state one; the rest are shown as “—” rather than estimated.
- **Post** links to the original Telegram announcement, which carries its own timestamp.
- Sponsored posts and non-AMA announcements are excluded.
